

# GUIDELINES FOR MUSEUM PASSES

We are glad that you are making use of Lambertville Library's Museum Pass program.

Below you'll find information about using the pass in the FAQs.

When you pick up your pass at the library, we'll ask you to sign the reservation sheet to indicate that you agree to follow these guidelines.

---

## **How do I reserve a pass?**

Passes may be reserved in person at the library or online at [here](#). Specify the date on which you want to use the pass when you make your reservation.

## **Who can reserve a pass?**

Library patrons with a valid library card may use the service. Your account must be in good standing, with no overdue materials.

## **How and when do I pick up and return my pass?**

You can pick up the pass from the library on the day before the date of use. (If you are using the pass on a Monday, you may pick it up on the Saturday before.) Please return it on the day following your visit, at the latest, to avoid incurring a late fee – and because there may be other patrons waiting for it. We would prefer you to hand the pass to a member of staff, but you may leave it in the drop box if the library is closed. Prompt return is very much appreciated.

## **Is there a charge to reserve a pass?**

No, there is no charge to borrow a museum pass. This is a service the library is glad to be able to provide to patrons.

## **How many people are admitted to a museum per pass?**

Membership conditions vary from museum to museum:

- Elmwood Park Zoo Pass: admits 2 adults, up to 6 children
- Bowman's Hill Wildflower Preserve Pass: admits 2 adults, up to 4 children
- The Bucks County Children's Museum: admits 6 people

## **How many passes can I reserve?**

Each museum pass may be reserved once per month per patron.

## **How far in advance can I reserve a pass?**

Reservations may be made up to 60 days in advance.
